## Solo and Ensemble Contest

The Pomeroy High School music students earned 22 I's, 18 II's and 3 III's at the State Solo and Ensemble Contest.

A division I rating means a superior performance, a Division II rating means an excellent performance but with minor defects, and a Division III rating means a good performance but lacking in finesse, interpretation, and essential qualities necessary for a higher rating.

A combined effort of the students in vocal and band earned the most I's of any school and also had the most entries. The students were awarded 33% of the total I's given all day.
